

## Application of Wakefield Investments Preliminary Design Review

The application of Wakefield Investments for a preliminary design review of the proposed redevelopment of 2 Hampton Road.

For construction of 30 Townhouse style units in six different grouping of four to six units and one larger multifamily building housing 38 garden style condo units and under-structure parking garage. There are associated parking areas for all units. Sidewalks and walking trails are proposed throughout the project site. (Tax Map 64, Lot 52)  
Case# 21322
